By registering to take part in an event run by the Jersey Touch Association (JTA), you acknowledge that you take part in the event at your own risk and understand the nature of the activity and the risks involved including possible injury to yourself and/or damage to your property.

It is your responsibility to ensure that you are insured, if necessary, and sufficiently fit to take part in the event and if you are in any doubt about this you will seek advice from your own General Practitioner before taking part.

You hereby release the JTA, its officers and volunteers from any liability for personal injury, death, loss, property, claim or damage suffered by you or any other person during or as a result of your participation in the event

Insurance

JTA has public liability insurance which covers the event generally but not the participants whilst actually playing. If you require personal accident or medical insurance then you must arrange this yourself.

Use of Photographs

JTA has your approval to use your photo in any promotional material in relation to any event

You understand that photographs/video footage may be taken during the event. These images may be used in coaching resources, on the JTA web site & Facebook page or for general JTA publicity & media purposes.

If you do not wish your/your child’s image or name to be used in such a way please contact:
chair@jerseytouch.org

Data Protection

Your data is kept for Jersey Touch Association administration & communication purposes.

The JTA will use the information on this form for event & medical administration and for the purpose of contacting emergency contacts in the event of a medical issue or safeguarding concern arising, the JTA may disclose certain information to relevant personnel as required.

Footwear

Please wear appropriate footwear – moulded stud boots

The pitches can be slippery in trainers, therefore moulded stud boots are strongly recommended to avoid injury to both yourself and others. Players will be asked to leave the field if they are slipping around and are at risk of causing injury to others.

Screw-in stud boots are not allowed regardless of whether the studs are metal or plastic
